

## **Marianne Mercieca**

### **CD Coordinator / School Secretary**

Although Marianne Mercieca is the school secretary, she was involved in coordinating the work in recording the new Cd. This involved meetings with the song-writers and composers who were given a list of the chosen themes. Mrs Mercieca helped Mrs Veronique Degabriele Ferrante to teach the songs to the children and to take them for recordings. Her next task was that of compiling and printing the booklet and designing a banner for promotional purposes. When the date of launching the CD was announced, organizing and sending the invitations to the press and other guests was the next headache for Mrs Marianne Mercieca. She greatly appreciated the help of members of the P.T.A. who willingly offered their assistance and suggestions. She would also like to take this opportunity to thank Mr Martin Degabriele who always came to the rescue whenever the work became too much, especially during the compilation of the booklet.

Mrs Marianne Mercieca is the mother of three children who also attended St. Francis School B'Kara. Two of them, Michelle and Christina were both involved in the recording of the first Cd. They were very enthusiastic when they heard that a second Cd was going to be recorded. This brought many happy memories and they would have very much liked to join the choir students once again at the recording studio.
